Sunday's scores: Canadian Scottish 1, Victoria Kickers 0; Ladysmith 1, Tillicums 0.

Canadian Scottish clinched first place in the Victoria and District Football League Sunday, edging Victoria Kickers, 1-0, at Beacon Hill Park before the largest crowd of the season.

About 1,100 fans watched Taffy Jones score the game's only goal on a penalty kick with 25 minutes gone in the first half. Kickers had a territorial edge throughout, but couldn't beat goalie John Moss although they had several opportunities to tie.

In Sunday's game at Ladysmith, Ladysmith upset Tillicums, 1-0, on a goal by Lisle Scott. Other scheduled weekend matches between Gorge Hotel and Brodie's Bakery and Esquimalt and Butler Brothers were postponed because of weather conditions.

The Scots can't be caught now, but an interesting battle is shaping up for the three remaining playoff positions.

Gorge Hotel, with two games remaining, is in second place, one point ahead of Esquimalt, which has a game in hand. Kickers are two points behind the Gorgemen and Heaneys are three. Both teams have two games remaining.

One policy can insure this whole family

As the head of the family, you naturally want to carry enough insurance to provide for your family, if something should happen to you. It is also a sound plan to carry some insurance on your wife and children.

With the new Metropolitan Family Plan, you can have additional permanent insurance on yourself and provide insurance on the lives of your family all at the same time . . . and with just *one* policy.

Here are some of the provisions of this plan: **For You:** Permanent Life insurance with regular cash and loan values . . . and the additional advantage of *reduced premiums guaranteed for the first five years* that the policy is in effect.

For Your Wife: Term insurance on her life of about one-fourth the amount of your insurance under this policy. It continues in effect until the time you are or would have been 85.

For your children between the ages of 14 days and 18 years — term insurance on each child until age 25. The premium is the same regardless of the number of children, *and those born after the policy comes into effect will be automatically covered after they are 14 days old.*

A further important advantage for your children is that when each child reaches age 25, he or she can take out permanent insurance of up to five times the amount of the term insurance *without medical examination.*

Another feature of the Metropolitan Family Plan is this: in the case of your death, your wife and children receive the benefits from your insurance, and the insurance on their lives continues in effect without further premium payments.

You will find that this is an ideal policy to add to your present insurance or to cover your wife and children. Ask your Metropolitan Representative to explain all of its many desirable features. He will be pleased to do so without any obligation on your part.

Metropolitan service is as local as Main Street . . . as close as your phone
